

Dear Jeff

Here is 3 different areas you may be interested in. (Lafayette, Baton Rouge & New Orleans) However, if you like I can get you the New Iberia paper (the next town over from Lafayette), the Lake Charles paper and the Alexandria paper.

If you think about it - see if any the newspapers I have given you have web sites that way you can check the classifieds when-ever you want.

Also I know that the Louisiana Dept. of Labor puts out a web site that has classifieds. Sorry I don't know more.

If you can think of anything I can do to help, just ask.

Jeff, if you change your mind after looking at all this I will understand. I will not pressure you or assume you want more classifieds unless you ask for them.

If you want to put this idea off for a while, I will understand.

I love you more than words can say, and because I love you I will support any choice you make.

If there are any doubts about my feelings  
or relationship with Scott: just let me say -  
I do not love him, I will leave him.  
My feelings for him and my actions would  
be the same if you were in my life or  
not I'm doing this for me. Now that you  
are a part of my life I see a brighter  
future than before. Your love and support  
has helped me. To know I can call you  
and tell you anything. To know that you  
may not judge me but be honest about your  
thoughts and feelings. This is something  
I can't expect from even my own mother!

Thank you, for being you and allowing  
me to be me.

All My Love

P.S. I would love nothing more than  
to have you <sup>come</sup> here. But if you do come here I  
want you to because you wanted to, not because  
there was any pressure from me.
